

The image shows a header template for a document. At the top, there are three nested rectangular areas defined by dashed lines: an outermost blue dashed border, a middle green dashed border, and an innermost pink dashed border. Below these header areas, the page is ruled with horizontal lines. A vertical line is positioned on the left side, creating a margin. The rest of the page is filled with horizontal lines for writing.

LP2 - Header (with bleed)

Header Size: 8.25 X 1.625

Imprint Area: 7.75 X .05

Imprint Area w/bleed: 8.5 X 1.875
